harmony

Just as the moon and sun clash for a mere instance at the start of a new day, for a fragment of a second yin and yang energy meet at the birth of HARMONY, the luxury lamp by Elite Bohemia. A combination of two opposing sources of energy symbolising the whirl in the cycle of life and rebirth.

We offer HARMONY in versions with pearly chains or crystals. The chandelier can be coordinated with a HARMONY table lamp or wall light fitting in the same design.
